## Welcome to the Conference!

**Randy Pierce**  
**ARC President 2017**

Greetings,

I'm pleased to welcome you to Eureka Springs for the 27th annual Arkansas Recycling Coalition Conference and Trade Show!

It's impressive that for the last 27 years great people from all over the state and nation have come together to talk and share ideas on how we keep the Natural State natural. This is my tenth year to attend and over the years this conference has allowed me to make friends, build relationships, and foster new business.

Of course I am biased, but I think the line-up of speakers, presenters, and vendors is the best we have ever had. I want to thank our Executive Director, Cherie O'Mary, and our Board of Directors for all of their hard work making this event happen. To our sponsors and vendors, Thank You for all you do! And to our membership, thank you for playing a part in keeping Arkansas Natural.

Enjoy the conference,

Randy Pierce  
President, Board of Directors
